4. A dog must not compete in the same class more than once, including special classes.
5. 9. In estimating the number of awards won, all wins up to and including 25 days before the start of the competition i.e 10th May 2022 shall be counted when entering for any class. For these purposes a competition shall be defined as all classes covered within the same schedule. In the event that a dog becomes eligible for the next class at a particular show, after the entry for that show has been sent, it is the competitor's responsibility to notify the show secretary or the show processor at least 14 days before the date of the show. The dog should then be moved into the appropriate class(es). The dog must be moved into the corresponding number of classes as were entered at the lower class. If there are fewer or no classes available for the next class the competitor should be offered a refund of the relevant entry fees.
10. In the event that the show is cancelled due to unforeseen circumstances, the society will refund fees, less reasonably incurred expenses. If the show processor has the provisions to do so, competitors will be refunded in the manner in which they had entered the show, but in any event the society will refund fees within 3 months of the show date to all those who had entered and requested a refund within 1 month of the show date.
11. In classes without a full running order dogs will be received until one hour after the commencement of judging (10:30 a.m., or 12 noon for class 9) after which no dogs may be received except under unforeseen and exceptional circumstances and by special permission of the show management.
12. For the duration of the show all dogs, including those in the exercise area, must be on a lead except when competing or practising prior to competition.

14. The dog should be led into the ring for judging with a smooth collar or, half-check collar, with lead attached (unless otherwise directed) and should be at the handler's side.
15. **Animals allowed in Event**
No animal other than one officially entered shall be brought into the precincts of the event during its continuance, except any dogs registered to assist the disabled, or dogs required for educational or instructional purposes or by permission of the Board.
However, at the discretion of the show society, a dog brought to the show by a spectator may be admitted into the precincts of the dog show, with the proviso that those in charge of the dog sign a declaration confirming the dog is free from disease and that the dog will be kept under proper control at all times.

18. No person shall carry out punitive correction or harsh handling of a dog at any time within the boundaries of the show.

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.
23. Welfare of Dogs
A competitor whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not knowingly put their dogs' health and welfare at risk by any action, default, omission or otherwise. A breach of this regulation may be referred to the Board for disciplinary action under Kennel Club rules and regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any obedience show licensed by The Kennel Club. This shall apply at the venue and within the precincts of the show.
24. Food and/or toys shall not be carried or given to a dog under test except in introductory class where silent toy and food rewards may be used between and after exercises and in a special class if specified in the class definition. Competitors must not distract other dogs when rewarding their dog with food, toy or play. (Refer to Obedience Code of Conduct)

Progression on wins. Progression from each class will be determined by the eligibility for the class as referenced in Regulations G(A). To count for progression wins must be gained in standard classes at Kennel Club licensed Open, Premier or Championship Obedience shows. A first place will count towards progression.

Progression on points. At the handler's discretion a dog may progress up to the next class, up to and including into Open Class C by gaining points at each level, using the Obedience Excellent scale of points scheme as follows:

- Ten points for first prize
- Four points for second prize
- Two points for third prize
- One point for fourth prize

If this method of progression is selected, the handler must ensure the show secretary/chief steward signs the dog's Obedience Record Book at the first show entered in the higher class. There is no time limit on this progression, however, once a dog or handler has progressed, they cannot return to the class that they had progressed from. All wins and places to fourth since 1 January 2019 can be included when calculating points. Points are specific to a particular class and cannot be used against a lower or higher class.

Points required for progression on points are as follows:

- 20 points required for progression from Pre-Beginners.
- 20 points required for progression from Beginners.
- 20 points required for progression from Novice.
- 30 points required for progression from Class A.
- 30 points required for progression from Class B.
